THE RURAL MUNICIPALITY OF PINEY

2013 DUST CONTROL PROGRAM

When requesting application of dust control, the Applicant acknowledges and accepts the following:

1. The product to be used for dust control purposes is Magnesium Chloride. The Municipality does not guarantee any dust control product.

2. For safety purposes, the maintenance of roads by the Municipality takes priority over anyone's application of dust control.

3. The Municipality shall not be responsible to replace anyone's application of dust control.

The Rural Municipality of Piney will accept requests for the application of dust control, on a **PRE-PAYMENT BASIS ONLY**, on municipal roads in front of residences in the Rural Municipality of Piney.

Ratepayers may obtain dust control on the basis of **$250.00** plus G.S.T. per application. Orders and pre-payments are to be made to the Rural Municipality of Piney Administration Office by **Friday, May 24, 2013**. The application will consist of actual width of road x 60 meter strip. The area to be serviced **must** be staked out prior to application. Dust Control will be applied during late June to early July, 2013, **weather permitting.**

In the event of there not being sufficient requests for a truckload, payments will be refunded.
