RE: Business Directory Pamphlets

The Rural Municipality of Piney would like to acknowledge all the businesses located within our municipality by making a free Business Directory Pamphlet available at the RM office in Vassar. Currently, the RM has a Business Directory available online on our website: www.rmofpiney.mb.ca under Local Businesses. We feel it is beneficial if hard copies of these directories were available to individuals looking for a list of businesses within our municipality.

At this time, we are asking for your permission and support in having your business listed on our Business Directory Pamphlet. **The pamphlet will include your name of business, contact person, telephone number, email, website, and any other information who may want included in your listing.** Your listing will be placed under the closest community the business is located in.

The information we will need for your business is as follows:

- (What community your business is located in)
- Company Name / Description of Business
- Contact Name
- Telephone Number
- Fax Number
- Email / Website

If you are interested in having your business displayed on our website and in our Business Directory Pamphlet please let us know by **12:00 p.m. on Friday, February 27th, 2015**. After that time we will be compiling all the information received and hope to have the Directory available early spring.

Thank you,

Carrie Dokken
