PUBLIC NOTICE

March 2013

Unightly Properties

With spring fast approaching, the snow will soon be gone and yards will begin to emerge to our sights again. The RM of Piney would like to send a reminder to everyone who owns property in the RM that have properties that contain items considered unsightly or unmanaged to be mindful and considerate of their neighbours and keep their properties tidy and clean at all times. Members of the RM of Piney council have received complaints about properties that have been ignored or left unkempt within the municipality. The RM of Piney would like to put an end to these concerns, but needs everyone to work together to diminish the issue at hand.

Plowing of Roads in the RM of Piney

Winter road maintenance is challenging at the best of time. The RM of Piney needs to deal with winter weather conditions, contractor equipment costs, equipment availability and the needs of the people. The reality is, even with the best efforts, challenges such as equipment breakdowns do happen. We request your patience as we approach spring and the end to a long winter season.
