

## After Permit has been issued

- ✘ Building permit card must be posted in a visible place before any works are to commence.
- ✘ Once building permit issued, call the building inspector immediately to schedule a meeting.
  - *It is the responsibility of the Permit holder to make themselves familiar with the additional building permit requirements put in force by the municipality.*
  - *Permit Holder holds the responsibility to contact the Building Inspector prior to any works being started. Failure to do so will be double permit or removal of the works started prior to Inspector Authorization.*
  - *If the contractor takes out the permit for the landowner he is deemed fully responsible for the project.*
  - *For sub-contractors, no works are to be started until the permit is posted!*

### Building and Plumbing Inspector:

➤ **Chad Cote:**    ➤ CELL: 204-380-9624    ➤ FAX: 204-437-2556

- Please have permit number when calling.
- Please leave a message with the Building Inspector when scheduling an inspection.
- Inspections during Business Hours 8:00am to 5:00pm Monday to Friday

When an inspection is done, the inspector will leave either a red or green sticker on or near the building permit or on the door.

The green sticker indicates that the work has passed inspection and work can proceed to the next stage.

The red sticker indicates that the work is either incomplete or improperly done, and will require further inspection. The homeowner/contractor should phone the inspector before proceeding with further works.
