Launch of a Regional Tourism Plan

Mel Parent

November 5th, 2016

Since fall of 2015, the municipalities have been working jointly on a regional tourism plan. In January 2016 a resident survey was distributed, and from this survey the hired consultant created a tourism strategy guide. The guide included 9 recommendations. From the recommendations, the first task was to create a tourism committee.

This document can be view on www.rmofpiney.mb.ca and www.rmofstuartburn.com.

In June 2016, the tourism committee started working on these tasks. The committee consists of 6 members, including 3 individuals from each RM. A website contract was awarded this summer, and we have continued to meet every month. Working diligently on coming up with content for the site and creating a name and logo.

On Saturday, November 5, the committee is excited to be launching the website, name and logo. At the event there will be a short presentation, followed by a free pancake breakfast, giveaways, and announcing the winners of the regional photo contest. This tourism initiative is to assist with promoting the area, businesses and organizations within the municipalities.

I hope to see you on November 5th at the Sundown Community Hall from 9:00 am – 11:00am.
