

# PUBLIC NOTICE

## PINEY STUARTBURN WEED CONTROL DISTRICT

### 2017 PROPOSED PESTICIDE PROGRAM

PUBLIC NOTICE is hereby given that the Rural Municipalities of Piney and Stuartburn intend to conduct the following pesticide control program programs during 2017.

- To control noxious weeds, brush and cattails along Municipal and Manitoba Transportation rights-of-way. Also, to control brush on Centra Gas transmission pipe line right-of-way and weeds on MB Conservation and Crown Lands.
- To control mosquitoes and grasshoppers if necessary, within the two municipal boundaries.

The proposed dates of application will be from May 1, 2017 to October 31, 2017. The pesticides to be used may/will include:

**Tordon 22K** (Picloram)

**Vantage XRT** (Glyphosate)

**Milestone** (Aminopyralid)

**2,4-D Amine** (2,4-D Amine)

**Aspect** (Picloram, 2,4-D)

**Garlon XRT** (Triclopyr)

**Trillion** (Dicamba, 2,4-D, Mecoprop-P)

**Malathion 95%** (Malathion)

**Amitrol 240** (Amitrol)

**Vanquish** (Dicamba)

**Aquabac XT** (Bacillus Thuringiensis)

**Prox 120** (Propoxur)

The public may send written submissions or objections to SPECIFIC control program(s) within 15 days of publication of this notice to the department below:
