

Piney Stuartburn Weed Control District

Summer Job Posting

Position Title	<i>Licensed Pesticide Applicator</i>
Duration	<i>Summer months, June – August (9-12 weeks)</i>
Experience	<i>None</i>
Posting Closes	<i>May 12, 2017 @ 4pm</i>

This is an excellent opportunity for a motivated student who plans on working their way through university or college. This opportunity will ensure a position with the Piney Stuartburn Weed Control District for the summer months of a candidate's career as a student. This position looks great on future resumes and serves as an excellent reference in future job interviews.

The successful candidate will be expected to take and pass the Pesticide Applicators Course prior to June 2017. This is a correspondence course offered through Assiniboine Community College. This is a 2 part course with 2 multiple choice type exams that follow. Passing these exams will allow the candidate to become a Licensed Pesticide Applicator in the Province of Manitoba. All costs associated with the course and exams will be reimbursed by the Weed Control District upon receiving a passing grade from ACC.

A Successful Applicant must...

- Hold a valid class 5 drivers licence
- Have a way to get to Vita, MB for 7am on working days
- Be organized with excellent record keeping abilities
- Work well in a team environment with a safety conscious attitude
- Be able to operate ATV's
- Be familiar with the road systems in the Municipalities of Piney and/or Stuartburn
- Take direction well and be able to work with minimal supervision
- Understand that an initial investment is being put in to them and be willing to work for a minimum of 2 consecutive summer seasons.
