Sunrise Corner Message

Sunrise Corner

Message from Summer Student Jeannine Brandt

"I am so excited to be working for Sunrise Corner! It's funny how someone can live in a place their whole lives and still find new things to celebrate about their home.

On Mother's Day weekend, I took to the calm waters of the Roseau River with my mom and produced a video of my experience. Visit our Facebook page to see it! If you get the chance, stop your car beside the road and smell the blossoms growing all over the forests. You won't have to walk far to find some – I promise! I also got a chance to visit the Spurgrove School in Carrick. What an amazing piece of history!

On Instagram, we've started One Hundred Days of Photos. There are little pockets of beauty in Sunrise Corner that we don't always see. To see our growing collection, follow us @sunrisecornermb.

On my radar is the Hwy 201 Garage Sale, coming up on June 10. Don't forget to come out to the Sunrise Corner Summer Tourism Launch and introduction to geocaching event in Woodridge on June 10th from 11am to 1pm.

The Sunrise Corner website is also filling up fast! There are already pictures and write-ups on every page! Check it out at www.sunrisecornermb.ca. There's a lot more to do this coming month – but if a full schedule isn't your thing, there's tons of time to chill and enjoy the area."
