Canada 150 Project

RM of Piney Community Organizations

Piney Community Church, Article by Jean Gushulak

Piney Community Church started renovations in 2015, replacing the windows and outside doors in the church, which was Phase One of our renovation projects. In 2015 we applied for the Canada 150 Community Infrastructure Program through the RM and we were successful with a \$22,000 grant which was 50/50 funded by the grant and the church. With these funds we got to start phase two of our renovation project which was new siding on the outside of the church and steeple, painting of the steeple, gutters and eave troughs. This spring we started and have finished phase three of our renovation project which was new doors in the inside of the church, patching of the walls and ceiling, painting inside the church, and repairing and freshening up the floors with industrial carpet throughout the church.

We, the Piney Community Church are thankful to have been granted the funds as this made it possible to complete all three phases of our renovation projects. Also we would like to thank all the people that contributed to our Renovation Fund and supported our fund raisers in the past two years and continue to support our church.

Middlebro Fun Day and Picnic

Sunday August 13th, 2017

11:30am-3:00pm

at Middlebro Park

Since this is a pot luck lunch, please call 204-437-2415 to let us know what you are thinking of bringing. Remember to bring a lawn chair for each family member in case there is not enough seating.

There will be games and Karaoke after the meal.
