STARS[®]

Rescue on the Island

Shock Trauma Air Rescue Service

The RM of Piney has donated \$1726, one dollar per resident, towards the STARS Rescue on the Island Fundraiser. STARS is a non-profit helicopter air ambulance service that provides time, hope and life-saving emergency medical care and transport to critically ill and injured patients.

All money raised during Rescue on the Island is to make sure that these critical services that STARS provides to our communities are retained. In Manitoba alone, 619 missions have been flown from 2016-2017.

If you are interested in donating to this vital cause, please contact Lori Derksen at STARS Foundation at 204-786-4647 or by email: lderksen@stars.ca.

A big thank you goes to all the volunteers, donors, and community partners who have made STARS possible. The RM of Piney appreciates all that STARS has done for our communities.
