Coffee with Council is a time for rate payers within our RM to join council to voice any concerns or ask council any questions they may have.

Sprague Recycling Shed

It has come to our attention that the recycling shed located along Highway 12 in Sprague is not properly being used. Household garbage and other items that are not properly bagged are being dumped in the Sprague recycling shed.

The recycling sheds are only to be used for broken down cardboard boxes and/or recycled items placed in either blue or clear bags. The sheds are not for any other use other than recyclable items. We ask everyone that uses this recycling shed to please respect the process. If this problem continues, we will be forced to remove the shed.
