High Speed Internet Access Survey:

Net Set has recently been awarded funding through the Connecting Canadians Program, a program announced by Industry Canada last year.

Net Set is committed to installing 3-250ft towers in the RM of Piney. Towers are tentatively set to be in Sprague, Menisino and Woodridge. A Survey has been sent out last week from Community Futures Triple R, asking for your input on the status of high speed internet access in the region. Please take the opportunity to answer the questionnaire, it also available online at www.ruralinternetsurvey.ca.

Transportation Graveling Program

Nearly 100 km of roads were graveled. That includes over 500 semi loads weighing in at 28,000,000 lbs. The trucks travelled over 6,000 miles total to move gravel from the pits to the road sites. The total costs to produce and transport gravel is \$120,000.00.
