WINTER 2015/16 NEWSLETTER

S.A.F.E. FAMILY PROGRAM

Firefighters from the RM of Stuartburn Fire Department will visit local residents to perform free smoke alarm inspections, replacing batteries and installing smoke alarms as part of the S.A.F.E. Family program (Smoke Alarms For Every Family).

The S.A.F.E. Family program (Smoke Alarms For Every Family) is a province-wide initiative sponsored by Office of the Fire Commissioner, Red River Mutual, Firefighters Burn Fund and the Manitoba Association of Fire Chiefs. The overall goal of Manitoba's S.A.F.E. Family program is to save lives by protecting every home with working smoke alarms and a practiced fire escape plan.

Residents who wish to schedule a home visit should call the RM Office at 204-425-3218

RESIDENTS WILL BE REQUIRED TO SIGN A S.A.F.E. FAMILY WAIVER FORM

Tourism in the RM of Stuartburn

The RM of Stuartburn has partnered with the RM of Piney to develop and implement a tourism strategy for both municipalities.

The purpose of the tourism strategy is to identify ways to increase and enhance tourism in the region. Also, to determine what currently draws tourists into the area and what resources are most used and/or needed by people visiting.

The RM of Stuartburn will be seeking input from local residents in regard to what the perceived tourism needs of the area are. We will be developing a Tourism Survey, in the near future, that residents will be able to fill out and send back to us. Please check back with our website and Facebook page for updates on how to complete and submit the survey.

New Building Inspector

The RM has hired Chad Cote as the new building inspector for the municipality. He can be reached on his cell at (204) 380-9624. Building permits are still to be taken out at the municipal office.

Merry Christmas!

From the Council and Staff of the RM of
Stuartburn. Wishing you a safe
and joyous New Year!

Street Light Outages

Please report any street light outages with Manitoba Hydro. You can call them at 1-888-MBHYDRO (1-888-624-9376), or make the report on their website www.hydro.mb.ca. The more reports logged in with MB Hydro, the quicker the response time may be to resolve the issue.

Snow Clearing

The priority list for snowplowing routes are as follows:

**Bus routes/Main Market Roads – 1st
RM Roads – 2nd**

We endeavor to have all roads cleared within 48 hours of the snowfall, however this remains weather dependent.
