

Manitoba Open Farm Day – Register by April 28th

Agricultural organizations and farms wishing to register for Manitoba Open Farm Day on Sunday September 17th, 2017, may go to www.openfarmday.ca and click on Register Your Farm – Scroll down and click on “register your farm HERE.”

Manitoba Premises Identification Program

The Manitoba Premises Identification Program is an essential part of a traceability system. In Manitoba, it links livestock and poultry to geographic locations for better management of emergencies. Under the [Animal Premises Identification Regulation](#), all owners and operators of premises with livestock and poultry must complete a [premises identification application](#). Anyone looking for information on the program regarding: Information about the program itself, inquiring about an existing Premises Identification number or applying for a new Premises Identification number, please contact traceability@gov.mb.ca, 204-945-7684 or visit <http://manitoba.ca/agriculture/pid>.

Manitoba Beef Producers – Bursary Application Deadline June 2, 2017
