RM Building Reminders

Piney Stuartburn Building Inspector, Gary Hora

All building applications can be picked up at the RM office or found on our website.

Building permits are required for:

- CONSTRUCTION OF ANY NEW BUILDING
- Attached and/or detached garages and/or carports
- Accessory buildings 108 sq. feet or more
- Temporary buildings (including temporarily (re)located buildings)
- Demolition of whole or part of a building
- Renovation projects that affect the structural integrity of a building and proper venting of plumbing

Development permits are different from a building permit. Development permits allow specific types of development on specific parcels of land in a community to proceed with the zoning and development bylaws of the RM of Piney. A development permit may stipulate some of the following conditions: the allowed use of the property, intensity of that use, building height, building site coverage, setbacks from property lines and other buildings and parking requirements.

For more information pertaining to building or weed control, contact Gary Hora at 204-380-9624 or email supervisor@psweedbuilding.ca.

***NEW* Temporary Structure Deposit Policy**

All temporary structures must be approved by the RM and will require a \$500.00 deposit per structure, prior to being moved onto the property. Contact the RM Office for more information.

Private Well Water Testing Days

Seine-Rat River Conservation District will be assisting residents with private well water testing for the presence of E.coli and Coliform bacteria. **The cost of private well water testing is \$22.31, including taxes, per sample.** Payment may be submitted by **exact cash or cheque ONLY**, with cheques made payable to Horizon Lab Ltd. Horizon Lab is also offering a new expedited service. Customers can pay an extra \$10 to have their bacteria water test report sent by the following business day.

Water sample bottles & application forms can be picked up in advance at the RM office. **Samples must be taken on the same day as the drop-off and submitted at the RM office prior to 10:00am** along with your completed application form, chain of custody form, and payment.

Private Well Water Testing will take place on:

Thursday, May 23rd, 2019 before 10am

Thursday, June 20th, 2019 before 10am
