

## **RM Private Well Water Testing Days 2021**

The Seine Rat Roseau Watershed District will be assisting residents with private well water testing for the presence of *E. coli* and coliform bacteria. The cost of private well water testing is **\$22.31**, including tax. Residents who've experienced recent flooding are encouraged to contact the SRRWD office for information on special discounts. Each legal location is eligible for one sample per well at the subsidized rate. Payment may be submitted by cash or cheque **ONLY**, with cheques made payable to **Horizon Lab Ltd.** Horizon Lab is also offering a new expedited service. Customers can pay an extra \$10 to have their bacteria water test report sent by the following business day.

Water sample bottles & application forms can be picked up in advance at your participating RM office. Water samples must be taken on the same day as the drop-off. Drop your water sample off at your participating RM office **prior to 10:00 am**, along with your completed Chain of Custody and SRRWD Application forms.

**Only those samples that are accompanied by correct payment and completed forms will be accepted. Please respect social distancing and other COVID-19 measures while dropping off your sample.**
