

Watershed Technician

The Seine Rat Roseau Watershed District is now accepting applications from individuals for the full time, 2-year contract position of Watershed Technician.

Duties include:

Reporting to the SRRWD Manager, the Watershed Technician will work 35 hours a week, including some evening meetings and be primarily responsible for district wide delivery of SRRWD Livestock Management Programming. The Watershed Technician will also be secondarily responsible for assisting in the implementation of projects related to riparian area management, soil health, water retention/surface water management.

Qualifications:

- degree or equivalent combination of education and experience in agriculture, geography, natural resource management, or similar
- Excellent English communication and interpersonal skills
- Experience working outdoors
- Experience with Microsoft Office & Arc GIS
- Class 5 driver's license

Salary: \$45,000 - \$50,000

This position will be split as required between the SRRWD offices located in Steinbach and Vita, MB. Compensation is commensurate with experience. Benefits will be available after a probationary period.

Interested applicants must submit a cover letter and resume by April 15, 2022 to:

Seine Rat Roseau Watershed District
154 Friesen Ave Steinbach MB R5G 0T5
Phone: 204-326-1030 ext 1 Email: info@srrwd.ca

The SRRWD would like to thank all applicants for their interest; however, only those selected for an interview will be contacted.
