# Strategic Plan Review

The reason to engage in municipal strategic planning is that it provides direction and focus in a written document. Having a clearly mission and vision enables the municipality to develop a strategic plan that is a literal roadmap for success. It is our guiding document into how we create healthy communities into the future.

## MISSION

Our municipal government strives to provide common-sense service delivery that sustains a varied economy and communities that foster multi-generational families. Our mission is to implement responsible governance for all; focused on family, communities and a diversified economy.

## VISION

To create a safe, healthy and prosperous environment to live, work and play in; and to encourage sustainable development that will complement and enhance the way of life for all.

## STRATEGIC TOPICS

- Engage in effective **COMMUNICATION** with Council, staff, community and stakeholders about the RM;
- Be responsive to growth and development trends in **COMMUNITY PLANNING**;
- Provide **SUSTAINABLE GOVERNANCE** based on informed decisions;
- Balance **ECONOMIC SUSTAINABILITY** with exceptional rural quality of life;
- Match resources with **SERVICE** goals, needs and expectations of the people in our community;
- Support the common goal of improving people's lives in **HEALTHY INCLUSIVE COMMUNITIES**;
- Better understand vulnerabilities of our municipality through **ENVIRONMENTAL STEWARDSHIP**;

## GUIDING PRINCIPLES

- ❖ Provide services in a fair, efficient, understandable manner;
- ❖ Engage in regional networking and/or partnerships to keep costs affordable and/or expand options;
- ❖ Incorporate sustainability in our actions;
- ❖ Maintain stable mill rates to minimize future tax impacts;
- ❖ Actively seek grants & alternate to non-tax revenue funding sources to support community initiatives;
- ❖ Use and implement evolving technology to provide better services to the public and facilitate their needs;
