RM of Piney Zoning By-Law Review

The RM of Piney is in the process of reviewing and updating the Zoning By-Law #122/2017 to bring it into conformity with the RM of Piney Development Plan. This will include a review of the existing Zoning By-Law, mapping against the policies and land use designations in the development plan and sharing the plan with stakeholders for feedback and input.

What is the Zoning By-Law?

A Zoning By-Law sets out specific rules and regulations that govern the use and development of land throughout the Municipality. The new Zoning By-Law will address new trends and ensure that the By-Law is compliant with the RM of Piney Development Plan.

Why are we updating the Zoning By-Law?

- Bring into compliance with the newly adopted RM of Piney Development Plan
 - To address new growth needs and trends
 - Update the existing plan

What is the Process?

The Draft Zoning By-Law will be created. This draft By-Law will reflect the RM of Piney Development Plan and will update the By-Law where needed. The draft will be shared with stakeholders for comment. Changes will be made in response to stakeholder input. Then the By-Law will go through the formal adoption phase and public hearing. We anticipate completion of this project by September 2022.
