## Recycling Incentive Program

*Continued...*

### **Rules & Regulations:**

- For every blue bag you recycle (or items of the equivalent size of a blue recycling bag), you will receive a ticket that will be entered into our monthly draw;
- Recycling bags must be dropped off at one of our three waste transfer sites: Sprague, Menisino/Piney, Woodridge;
- If you use a community recycling bin, tickets can be picked up at the RM office;
- If someone drops off your recycling for you, it is your responsibility to get your tickets from that individual;
- Once a ticket is received, the "KEEP THIS TICKET" portion is to be kept by the resident, while the other ticket is to be given back to waste transfer station attendant or RM office;
- If you do not want to keep your portion of the ticket, you must write your name on the back of the ticket that stays with the waste transfer station attendant or RM office;
- Only residents of the RM will be able to participate;
- Draws will be done by the 15<sup>th</sup> of the following month. i.e. tickets received in March will be drawn in April;
- Winners will be announced on social media after the 15<sup>th</sup> of each month as well as in our monthly RM of Piney newsletter by mentioning the winning ticket number;
- The winning ticket will be announced the month following the draw. i.e. the winning ticket from March that was drawn in April will be announced in our May newsletter;
- Winners are to come down to the RM office to pick which prize they would like; please bring your ticket, a picture of your winning ticket, or I.D. that matches the name on the winning ticket when picking up your prize;
- Prizes must be picked up by the end of the month your ticket was announced. i.e. your ticket is announced in the May newsletter, you must contact the RM office and have your prize picked up by the last day of May;
- If prizes are not picked up within the month that winning ticket was announced, another ticket will be drawn in place of the unclaimed ticket; please keep your tickets or take photos of them in case a re-draw needs to be done;
- After each monthly draw, the leftover tickets from that month will be destroyed and only new tickets received will be eligible to win for the following months draw;
- There is no limit on how many times one person can win, so keep recycling to see if you can win more than once!

# ECONOMIC DEVELOPMENT

## Resources to Help Our Community Clubs Thrive

Community clubs are the backbone of our rural communities in Sunrise Corner. Powered by volunteers, they create places to gather, celebrate, and connect – while maintaining facilities that serve residents year-round. Since inception, Sunrise Corner has been committed to supporting community clubs with practical, hands-on assistance that helps reduce volunteer burnout and strengthens long-term sustainability.

### Grant & Funding Support

Navigating grants can be time-consuming, especially for volunteer-led organizations. To help build local capacity, grant-writing training sessions were offered for community volunteers in Vita and Vassar, focused on practical tips, common pitfalls, and where to find funding opportunities. If you or your club were unable to attend, please reach out by email and the full set of valuable resources and templates shared at the sessions will be sent directly to you. In addition, one-on-one support is available to brainstorm ideas, review applications and provide letters of support.

### Marketing & Promotion

Getting the word out early is key to strong event attendance. Sunrise Corner promotes community events through its online event calendar, social media channels and mobile signs. Event organizers are encouraged to submit dates as early as possible, even if all details aren't yet finalized. Early listings help residents plan ahead and also assist other community groups in identifying available dates and avoiding scheduling conflicts. Details can always be updated as plans are confirmed. <https://sunrisecornermb.ca/event-calendar/>

### Facility & Revenue Development

Many community clubs have underutilized assets that can generate much-needed revenue. Volunteers are encouraged to provide full details about their facilities – such as hall size, kitchens, accessibility, parking, and amenities – so Sunrise Corner can help market venues for rentals. These spaces are ideal for family reunions, corporate meetings, workshops, and milestone celebrations, with rental income helping offset fundraising pressures.

### Volunteer Capacity & Planning

Finding and retaining volunteers is an ongoing challenge. Sunrise Corner's WorkFinder tool helps by listing local volunteering opportunities in one central place, connecting residents who want to contribute with clubs that need extra hands. Support is also available for brainstorming new event ideas, improving planning processes, and building volunteer succession.

<https://sunrisecornermb.ca/services/workfinder/>

All Sunrise Corner services are free for community clubs in the Sunrise Corner region. Whether you need help with grants, promotion, facilities, or volunteers, support is just an email away – and designed to make volunteering a little easier and a lot more rewarding.

A community meet-and-greet is planned for newcomers and those residents who'd love to help welcome them into our communities on February 21st 11:30 to 1:30pm in St Labre.

**A "newcomer" is someone who has moved to the RM of Piney in the last couple of years.**

**Come learn about local services and our communities while enjoying lunch and great conversation with other local residents!**

**RSVP by February 12th your name, contact info and any dietary restrictions to [connie@rmofpiney.mb.ca](mailto:connie@rmofpiney.mb.ca), ph 204 905 3740 or 204 437 2284. Please also let us know if transportation is required for a newcomer to attend.**

Personal invitations go a long way in making people feel welcome, so let's spread the word and show our friendly community spirit!

## VOLUNTEER DRIVERS NEEDED CAN YOU HELP?

### CASUAL DRIVER RECRUITMENT

Brighten someone's day by stepping in as a friendly driver who helps neighbours get to appointments, community events, and other important destinations. BPP Rent & Ride offers access to a 7-passenger Sienna van or a 10-passenger ProMaster van, both of which can be driven with a Class 5 license.

If you enjoy lending a hand and have some spare time, reach out to Candace at BPP Rent & Ride at 204-437-2284 or 204-905-1768 or email: [admin@bpprentride.ca](mailto:admin@bpprentride.ca)

FIRST FULL WEEK OF FEBRUARY  
**NATIONAL  
BURN  
AWARENESS  
WEEK**

## **Burn Awareness Week February 1<sup>st</sup> – 7<sup>th</sup>, 2026**

National Burn Awareness Week is taking place from February 1<sup>st</sup> to 7<sup>th</sup>, 2026, and this year, the focus is on workplace burn safety. From kitchens and laboratories to construction sites and offices, burns can occur anywhere, but prevention begins with awareness and action.

Even though the theme of the 2026 Burn Awareness Week is focusing on burns in the workplace, Burn Awareness Week is a perfect time to focus on being fire and burn safe no matter where we are.

For the past 16+ years, the Manitoba Firefighters' Burn Fund, Manitoba Association of Fire Chiefs, Manitoba government, and the Office of the Fire Commissioner has teamed up and invites kids grades 5 - 8 to submit their original artwork featuring fire and burn prevention safety messages for a provincial poster contest.

- **Posters must be drawn on an 8 1/2 X 11 inch letter sized paper, 1 entry** per student.
- Poster artwork must represent any burn or fire safety message.
- The contest is open to any student residing in Manitoba from **grade 5 to grade 8**. Students can participate on their own without the participation of the school.
- Posters must include the artists' name, grade, school & address on the **BACK** of the poster.
- Winning posters are based on age appropriate skill & will be judged on the message content.
- Judges' decisions are final. Judges include representatives from The Office of the Fire Commissioner, Manitoba Firefighters Burn Fund, Winnipeg Fire Paramedic Services, Manitoba Association of Fire Chiefs.

**Deadline for poster submission is:  
Friday, March 13, 2026.**

Send your poster to:

Municipal and Northern Relations  
The Office of the Fire Commissioner  
1601 Van Horne Avenue East, Brandon  
Manitoba R7A 7K2

# **PROTECTIVE SERVICES**

## **Sprague RCMP**

Snowmobiling is a common and practical way to travel within the RM of Piney, whether for recreation, visiting neighbours, or accessing property during the winter months. While snowmobiles are a familiar part of rural life, they are still regulated under provincial law. The Sprague RCMP regularly responds to collisions, injuries, and complaints that could have been prevented by understanding these rules.

In Manitoba, snowmobiles are considered off-road vehicles and are governed primarily by The Off-Road Vehicles Act. Under this Act, snowmobiles must be properly registered and insured, and operators are required to carry proof of registration and insurance while operating. This Act also requires that approved helmets be worn at all times, regardless of the rider's age or experience.

Impaired operation of a snowmobile is strictly prohibited. The Off-Road Vehicles Act makes it an offence to operate a snowmobile while impaired by alcohol or drugs, and the Criminal Code of Canada applies equally to snowmobiles. RCMP officers do enforce impaired driving laws on trails, fields, and frozen waterways. Rural location does not change the law.

Snowmobiles are not permitted to travel along public roadways, except in limited circumstances allowed by law. Under The Off-Road Vehicles Act, snowmobiles may cross a roadway only when it can be done safely and, in most cases, at a 90-degree angle. Riders must yield to all vehicle traffic. Operating along or down a highway, ditch, or shoulder without authorization (such as a Snopass) can result in fines or charges.

Landowner permission is another important consideration when operating a snowmobile. The Off-Road Vehicles Act requires operators to have permission to travel on private property. Trespassing complaints are common during the winter months, particularly around farmyards, livestock areas, and rural residences. Snowmobilers are responsible for knowing where they are riding and respecting property boundaries.

This Act also places responsibility on parents and guardians. Allowing a young or inexperienced rider to operate a snowmobile unsafely can result in enforcement action. Snowmobiles are powerful machines, and serious injuries often occur when youth are unsupervised or riding machines that are too large for them.

The Sprague RCMP encourages rural residents to ride sober, respect landowners, slow down near homes and farmyards, and ensure snowmobiles are properly registered and insured. Understanding how The Off-Road Vehicles Act applies to snowmobiles helps keep riders, families, and rural communities safe throughout the winter season.

**For all non-emergency matters, please contact the Sprague RCMP Detachment at (204) 437-2041. Until further notice, we will not be completing Criminal Record Checks. Please contact the Steinbach RCMP or your closest RCMP detachment to have them completed. Should you require immediate Police assistance you can call (204) 437-2222 or 911 in the case of an emergency.**
